We Also Have other Bar Options:

Cash Bar: Your Guests would be responsible for paying for their own drinks as they are ordered.

(They may also run a Tab if they choose).

Cash Tab: Server will run a Tab, ringing up each drink individually as your guests orders.

Limited / Tokens: We will supply you with a set number of Tokens to be given to your guests.

Each Token will be collected from your server and rung up accordingly.

(You can place any sort of limit as to which drinks / brands your guests can order).

Bottle Wine Service: We will offer preordered bottles of wine to your guests and charge for only the

bottles purchased. (You may take home any partially full bottles of wine)
